## ABOUT US

Rhino Truck Bodies is an Authorised body builder & a NRCS Approved truck body builder that specializes in building Brand New Truck Bodies. Rhino Truck Bodies has homologation documents for numerous popular brands such as Isuzu, Mercedes Benz, Hino, Nissan, FAW, Powerstar, Eicher and many more.

Established in 2010 & based in Port Shepstone - our focus is providing quality products - at competitive pricing while also providing more affordable options for those who may not need all the bells and whistles.

At Rhino Truck Bodies, we understand the importance of timely delivery and offer efficient turnaround times to our valued customers.

With high-end machinery like benders, guillotines and plasma cutters, Rhino Truck Bodies is able to create custom solutions that meet the unique needs of our customers. Whether you're in need of a heavy-duty work truck or a more lightweight option, Rhino Truck Bodies has the expertise and experience to get the job done right.

## TAUGHTLINER BODIES

Our taughtliner bodies come in various sizes & have the option of anti theft mesh or standard curtains to protect your cargo inside. The body also has the option of rear doors. Our taughtliner bodies are built with the option of centre posts or side posts to provide good strength.

## LIVESTOCK CARRIER

Rhino Truck Bodies offers livestock carriers that are an excellent investment for those in the agricultural industry. They are designed to provide durable and reliable transportation for livestock, ensuring their safety and comfort is put first. Livestock bodies are built to our customers' specifications.

**A few of our livestock bodies include:**

- Cattle Bodies
- Sheep Bodies
- Horse Bodies
- Chicken Bodies

## TIPPERBODIES

Our tipper trucks are built with a variety of high-quality anti corrosive materials and are designed to withstand heavy-duty use, ensuring durability and longevity. We offer a variety of tipper sizes to choose from as well as different thicknesses of steel. Our tippers are installed with only the best Italian PTO's & hydraulics on the market to ensure our customers' have the least down time possible. We offer several options to add to your tipper such as hydraulic tank guards, asphalt trays and many more.

## VACUUM TANKS

Our vacuum tankers are built to last - with high quality Cor-Ten steel to provide good strength. At Rhino Truck Bodies we offer the option of using different materials to suit your needs & budget . We pride ourselves with the best quality Broom Engineering pumps on the market to promote longevity & keep you up & running.
